IS YOUR PET OR CRAFT AN AWARD WINNER?

IMPORTANT POINTS & RULES: All entries (except dogs) must be in the North Hall by 9.30am. Owners are responsible for the feeding and watering of their pets on the day. When you arrive, check in at the main desk (except dogs) and ask for your entry number. This is your cage number - do not put your pet in the first available cage - you will be given your own personal number. The organisers reserve the right to refuse any exhibit which, in their opinion is a health risk. Please note all exhibits remain at the show until 3.30pm approximately so that the general public can view the pets. Dogs will only be allowed on the premises at 1pm to assemble for judging on the bus turnaround. They are not permitted anywhere else on site and in everyone's interest we request that dogs leave after prize giving.

We strongly recommend that dogs should be fully vaccinated.

ALL PROCEEDS AND DONATIONS WILL GO TO THE UP-KEEP OF OUR LADYBRIDGE FARM
