

Support for Bolton's Minority Ethnic Communities

Bolton is proud of its diverse voluntary and community sector which strives to meet the needs of all people living or working in the borough. Bolton Community and Voluntary Services (CVS) is here to support the groups and organisations delivering these services and help connect people with them. This leaflet details some of the organisations providing services specifically for people from our Black, Asian, Minority Ethnic, Refugee and Asylum Seekers (BAMER) communities.

THE PROVIDERS

Bolton Voluntary & Community Services (CVS)

Voluntary and community groups and organisations change people's lives every day and the team at Bolton CVS want to make it as simple as possible for people and groups across the borough of Bolton to 'do more good'.

If you are running a minority ethnic community group, or are thinking of setting up a group, and would like to meet with Bolton CVS to see how we can help you please contact us at for an informal chat. If English isn't your first language and you'd like to use another language, contact us as our team here speak a number of languages.

Bolton Solidarity Community Association

Bolton Solidarity Community Association (BSCA) was initiated by concerned professionals who intend to serve their community efficiently.

Many of the people that access BSCA are from the New and Emerging Communities in Bolton. This includes such communities as Somali, Oromo, Eritrean, Kurdish and the local established BME communities.

BSCA have dedicated staff and volunteers that are able to support individuals with their challenges or to signpost to a relevant organisation.

Asian Elders Resource Centre

Asian Elders Resource Centre (AERC) provides a drop-in, advice and information services, preventative activities and services from a locally based centre. The beneficiaries are older Asian people who are 50+ to 80 years old, living within the Bolton. AERC support BAMER by providing activities and services on health, advice and information, adult learning, social interaction, tackling isolation, dietary needs, loneliness, spiritual and religious service. Activities include exercise, luncheon club, organised outings and trips.

AERC support to have an improved quality of life, stay independent and healthy for longer, stay connected with the wider community.
