

## Summary of Awards

# Bolton's Fund Round 11

## Climate Change

April 2021

11 awards made

Total Value £37,409

### Fund Priorities

1. Improved awareness around climate change issues
2. More people reducing and re-using resources
3. Improvements to local habitats to prevent biodiversity loss
4. More people connecting with the environment

Projects that foster community action in relation to the above priorities were particularly welcome.
