

Covid-19 Vaccine Update

Read more about the [roll out of Covid-19 vaccine to priority groups Bolton](#). This includes the announcement of new local vaccination sites across the borough.

The NHS has announced that over-80s can also book an appointment to receive their vaccination at one of [seven new regional centres](#). The North West regional centre is at the Etihad Tennis Centre.

The regional centres are **an additional option** for people to get vaccinated if it is convenient for them. If it is not, they can receive their jab at their local site in Bolton over the coming weeks - if they have not already done so.

Some [common FAQs](#) about the vaccine are on the NHS Clinical Commissioning Group's website.
