

Job description:

Dedicated and compassionate support worker required. Full or part-time considered (Bolton)

Community Care Options is a not for profit company with charitable status based in Bolton. We care for people with varying disabilities and difficulties and pride ourselves in our quality of care and support. We support individuals in their own homes and in the community, therefore maximising opportunities for their development, independence and wellbeing.

We are looking for a calm, dedicated and caring support worker to look after and support our service users. We require someone who can work effectively in, what can be a challenging and fast paced environment. We require someone who has a flexible approach and is able to work with and alongside a team. Experience is not essential as full training will be given.

Staff are salaried and are paid for their full shift and not per visit.

Hourly rate £9.90 per hour. £19,305.00 pro rata.

Mileage currently paid at 0.45p per mile. (Use of a car is essential and full UK licence)

People's Pension scheme.

Employee of the month scheme.

20 days annual leave plus bank holidays on a pro rata basis.

Working hours are variable due to the nature of the role, based on a rota.

Staff receive ongoing and up to date training.

DBS will be required.

Immediate start.
