

# How to be a Good Neighbour in Bolton

## Urgent Response Volunteering

If you would like to be part of Bolton's Urgent Response Volunteering initiative, please follow this [link](#) to register.

Urgent response volunteers support residents and communities affected by an emergency and it is a diverse and varied role.

In relation to the coronavirus (COVID19) response, tasks may be as follows:

- Staffing a phone line; taking calls from local residents, finding out what help they need and recording this
- Organising help and support for local residents
- Signposting residents to local services that can help
- Distributing and delivering goods e.g. food and toiletries
