(Standing Together)

February 2022

**8 Awards**

**£78, 832**

### Fund Priorities

Projects will achieve one or more of the following:

#### Priority 1 Improving Safety.

- **Improving the resilience**, feelings of safety and confidence for those who are victims of crime or, at risk of being victimised.
- **Improving information about how victims of crime can access the support they need.** This can include supporting the victims of crime, antisocial behaviour, modern slavery/trafficking, domestic abuse, sexual violence, female genital mutilation (FGM), forced marriage and 'honour-based' violence and child criminal or sexual exploitation.

#### Priority 2 Strengthening Communities and Places.

Improving local communities by:

- **Reducing intolerance and hate.**
- **Increasing people's feeling of safety** by improving the places where people live, work, volunteer, socialise or travel to.

#### Priority 3 Reducing Harm and Offending.

- Reducing the risk of offending or reoffending by working with adults or young people at risk of offending or re-offending.
