

## Summary of Awards

# Bolton's Fund Round 38 Developing Community Asset Management

July 2023

**3 Awards**

**£28,385.00 Awarded**

### Fund Priorities

1. Improve the skills, knowledge and capacity of the organisation in terms of asset management
2. Involve the local community in the planning related to the future development of a community asset.
3. Improve or protect a community asset that is at risk and preserve its community value
4. Develop a sustainable operating model to secure the long-term future of the community asset
5. Increase access to a community asset by the community
6. Increase local participation in community life and/ or sport or leisure.
